Dear Black Girls Shanice Nicole 2021-02-08 Dear Black Girls is a letter to all Black girls. Every day poet and educator Shanice Nicole is reminded of how special Black girls are and of how lucky she is to be one. Illustrations by Kezna Dalz support the book's message that no two Black girls are the same but they are all special--that to be a Black girl is a true gift. In this celebratory poem, Kezna and Shanice remind young readers that despite differences, they all deserve to be loved just the way they are.

Artificial Superintelligence Roman V. Yampolskiy 2015-06-17 A day does not go by without a news article reporting some amazing breakthrough in artificial intelligence (AI). Many philosophers, futurists, and AI researchers have conjectured that human-level AI will be developed in the next 20 to 200 years. If these predictions are correct, it raises new and sinister issues related to our future in the age of intelligent machines. Artificial Superintelligence: A Futuristic Approach directly addresses these issues and consolidates research aimed at making sure that emerging superintelligence is beneficial to humanity. While specific predictions regarding the consequences of superintelligent AI vary from potential economic hardship to the complete extinction of humankind, many researchers agree that the issue is of utmost importance and needs to be seriously addressed. Artificial Superintelligence: A Futuristic Approach discusses key topics such as: AI-Completeness theory and how it can be used to see if an artificial intelligent agent has attained human level intelligence Methods for safeguarding the invention of a superintelligent system that could theoretically be worth trillions of dollars Self-improving AI systems: definition, types, and limits The science of AI safety engineering, including machine ethics and robot rights Solutions for ensuring safe and secure confinement of superintelligent systems The future of superintelligence and why long-term prospects for humanity to remain as the dominant species on Earth are not great Artificial Superintelligence: A Futuristic Approach is designed to become a foundational text for the new science of AI safety engineering. AI researchers and students, computer security researchers, futurists, and philosophers should find this an invaluable resource.

Fluxus Scores and Instructions Eric Andersen 2008

George Maciunas the Dream of Fluxus Thomas Kellein 2007 George Maciunas (1931-1978) was the founding member and leader of the most radical and experimental art movement of the 1960s, Fluxus, whose members rejected the traditional systems of high art. This biography will help to reveal the man and the artist, hidden behind so many masks of his own devising, to the wider public his accomplishments demand.

André Derain in North American Collections Michael Parke-Taylor 1982

Galliano Kerry Taylor 2019-10-31 Galliano: Spectacular Fashion is the first detailed guide to the work of one of fashion's greatest talents. Though the designer's otherwise glittering career has been punctured by years out of the limelight, his catalogue of work remains astonishing. Written by internationally renowned fashion expert Kerry Taylor, this beautifully illustrated and meticulously researched book looks in depth at John Galliano's collections from his 1984 graduate show at Saint Martins to his triumphant renaissance at Maison Margiela in 2015. With never-before-seen images of rare designs from private couture archives, close ups revealing the intricacies of garments, and iconic runway shots showing the designer's most innovative creations in motion, this visually rich book examines his revolutionary designs in unprecedented depth. In addition, original interviews with the designer as well as the people who worked closely with him throughout his career shed new light on both the clothes and the context in which they were created. A must-have for fashion lovers, collectors and researchers alike, Galliano: Spectacular Fashion is the ultimate overview of the work of a design genius.

Bowser the Hound Thornton Waldo Burgess 1920 When Bowser the Hound gets lost in the Green Forest, Blacky the Crow and other animals decide to help him.

John Solomon: Supercargo H. Bedford-Jones 2020-06-23 Finding himself nearly penniless overnight due to a Wall Street crash, Frederick L.C. Harcourt, Viscount Ratcliff, receives an offer to host an archaeological excursion to East Africa on his yacht, the Daphne. Dr. Sigurd Krausz is an eccentric one, but he pays well, and agrees to crew the ship with his own men, provided Harcourt enlists a chief officer and engine room crew. Having taken a liking to Cyrus Hammer, a cattle-boat worker recovering from a tragic divorce, Harcourt offers him a junior partnership in the expedition, and the two are soon joined by one John Solomon who insinuates himself into the crew as the supercargo, in charge of obtaining the supplies and documents needed to ensure a smooth voyage. The trip proves anything but smooth when one of the offices is found murdered and everyone becomes a suspect! John Solomon: Supercargo is the second volume of master pulp writer, H. Bedford-Jones' John Solomon saga, which would go on to span eleven novels and numerous short stories from the 1910's into the 1930's.

The Dictionary of English Furniture from the Middle Ages to the Late Georgian Period Percy Macquoid 1983 The Dictionary of English Furniture by Ralph Edwards (1954 Revised Edition) is the most authoritative general work on English antique furniture ever published. The first edition of this work was published 1924-27. It was instantly recognised as the primar

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

The Artist's Studio Giles Waterfield 2009 This book is first published to accompany the major exhibition at Compton Verney, The Artists Studio, staged at this great Adam-designed country house in Warwickshire.
