Canada and Impressionism Katerina Atanassova 2019-07 - Approximately 125 masterworks by some 35 artists situate Canadian art within the global phenomenon of Impressionism- A detailed chronology explores the multifaceted ways in which Canadians contributed to the evolution of ImpressionismFollow these Canadian artists as they travel abroad and return home again, over a series of journeys taking place during the last decades of the nineteenth century to the turn of the twentieth. Approximately 125 masterworks by some 35 artists situate Canadian art within the global phenomenon of Impressionism and present a fresh perspective on its reception in the arts of Canada.

Adopting a thematic approach, comprehensive essays demonstrate the commitment of these pioneering artists to an innovative interpretation of foreign and familiar surroundings, imbued with an Impressionist vocabulary. A detailed chronology explores the multifaceted ways in which Canadians contributed to the evolution of Impressionism and to the advent of modernity in their homeland. This book accompanies exhibitions at the Kunsthalle der Hypo-Kulturstiftung, Munich (DE), July - November 2019; Fondation de l Hermitage, Lausanne (CH), January - May 2020; Musée Fabre, Montpellier (FR), June - September 2020; and the National Gallery of Canada, Ottawa (CA), November 2020 - April 2021.

ABC Bonnie Zavell 1992 ABC's, First Words, Numbers and Shapes, Colors and Opposites including a special note to parents. Children will enjoy hours of learning fun in each 32-page bi-lingual book. All four books are designed specifically to teach and reinforce basic concepts for preschool through early elementary school children.

Cooking 4 Change Illustrated Cargoship 2016-09 Cooking 4 Change is the brainchild of celebrated New Zealand artist Dick Frizzell, his business partner Christian Kasper and TV host Erin Simpson. They asked a wide range of New Zealand celebrities to share their all-time favourite dishes in order to raise money for longstanding local charities Paw Justice, Leukaemia and Blood Cancer New Zealand, Starship Foundation and Auckland City Mission. What resulted is a diverse selection of recipes and intimate cooking stories from a raft of our favourite personalities who want to make a difference. The recipes and stories are accompanied by sumptuous photography, mostly taken inside each celebrity's own kitchen. In true New Zealand style, Cooking 4 Change showcases the amazing results Kiwis can achieve when we all work together and give back to some of our hardest-working charities.

The Business of Fashion Leslie Davis Burns 2011-08-22 Revised to keep up with the quickly evolving landscape of the fashion industry, the fourth edition of this authoritative text offers updated information on the design, manufacturing, marketing, and distribution of fashion products within a global context. Research-based content provides insight on the organization and operation of textiles, apparel, accessories, and home fashion companies, as well as the effect of technological, organizational, and global changes on every area of the business.

The Lost Child Suzanne McCourt 2014-02-26 Long-listed, Miles Franklin Literary Award, 2015, Australia. Sylvie is five. It's the 1950s and she lives in Burley Point, a fishing village south of the Coorong on Australia's wild southern coast. She worships her older brother Dunc. She tries to make sense of her brooding mother, and her moody father who abandons the family to visit The Trollop, Layle Lewis, who lives across the lagoon. It's hard to keep secrets in a small town, but when Dunc goes missing, Sylvie is terrified that she is the cause. Now her father is angry all the time; her mother won't leave the house or stop cleaning. The bush and the birds and the endless beach are Sylvie's only salvation, apart from her teacher, Miss Taylor. In the tradition of the novels of Anne Tyler and Eudora Welty, *The Lost Child* is a beautifully written story about family and identity and growing up. Sylvie is a charming narrator with a big heart and a sharp eye for the comic moment. As the years go by she learns how tiny events can changes entire lives, and how leaving might be the only solution when the the world will never be the same again. Suzanne McCourt lives in Melbourne. *The Lost Child* is her first novel. 'The Lost Child is an assured and bittersweet coming-of-age tale with a vivid sense of time and place...The novel is a strong addition to the shelves of Australian literary fiction.' Australian Bookseller and Publisher 'An absorbing and often funny coming of age story...those who enjoy life's complexities and difficulties will find it a thoroughly engrossing read.' Bendigo Weekly 'Suzanne McCourt has with great empathy and skill created the turmoil in the mind of a little girl...a haunting story, it also demonstrates the power of the human psyche to overcome past difficulties and find was to fully live.' Otago Daily Times 'There are echoes of Tim Winton in McCourt's coastal small-town coming-of-age/breaking of spirit/triumphing over the odds under a wide sky-style writing...plainspoken but deftly crafted, laced with both humour and searing sadness. Highly recommended.' NZ Herald 'Written in beautiful, slow prose...This is a promising debut...You can't help but be keen to see what she does next.' Adelaide Advertiser 'Mccourt's writing is assured and sinuous.' Belle Place, Readings 'Sylvie endures trauma, bullying, rejection and self-blame yet she largely manages to channel her energy into positives like creative photography and excelling at school. She is a survivor.' ReadPlus 'There's a watchful intensity to McCourt's writing, a remarkable ability to discover within the most concrete details a rich and raw emotion...a novel that is at once very familiar and entirely fresh.' Weekend Australian 'The story tugs at the heartstrings...I look forward to seeing what this author writes next.' Waikato Times '[The Lost Child] reminds me of the quality of Ruth Park's writing in evoking the strengths and weaknesses of a small community...and the tragedies and humour amongst the everyday...A multi-layered novel with symbolism which stays with you after the last page. A significant writer with compassion. Highly recommended for adult and YA readers.' Hazel Edwards 'The Lost Child is a haunting tale of family life, identity and coming-of-age from an author who writes with a vivid sense of time and place.' Launceston Examiner

The Receiver Samara Mae 2021-02-28 What would you do if you were cursed by a terrible decision: to take on the pain of others or to make others take on your pain? For one woman and her girlfriend, it isn't a question. Unnamed, though anything but insignificant, these girls take on the world's burdens on top of their own as marginalized queer women. Accepting the legendary role of the Receiver, both girlfriends represent the resilient voices of those who aren't often heard, bearing the weight of struggles they shouldn't have to face alone. As a story with an unconventional approach to literary style, told in three parts and an epilogue, *The Receiver* is about fighting for love, family, and a better future. But is the world too much for one person to handle alone? Can these women withstand the pain of the curse on top of the discrimination from society? from their own family? Who is the Receiver, and will her love sustain her?

[Phonetics, Theory and Application](#) William R. Tiffany 1977

[Overdraft](#) Urjit Patel 2020-07-24 All of us love to spend. But before we can do that, we have to have earned or saved some money. Only sovereigns don't have to: they can print money, or borrow; in our country, where they own banks, they can use our deposits to lend and splurge for goals that may not always be economic in nature. Many rulers have succumbed to the temptation, with dire results - inflation, debased currency, payments crises, bankrupt banks, economic stagnation, loss of public confidence. After centuries of ruinous experiences, some governments learnt, others haven't, to control themselves, create self-governing Central banks and let them manage money and regulate banks. Sometime in 2015, news of unsustainable bad debts (non-performing assets or NPAs) in the Indian banking sector started to first trickle out, and then became a flood. In the forefront were some of India's largest government banks, and a series of tycoons who were running their empires on unpaid debts. The banks' problems landed on the table of Urjit Patel when he became Governor of Reserve Bank of India in September 2016. Based on thirty years of macroeconomic experience, he worked out the '9R' strategy which would save our savings, rescue our banks and protect them from unscrupulous racketeers. In this book, he explains the problem and how it blew up; and how he would have resolved it if he had not been prevented.

Moments of Grace Laurie Blefeld 2018-04-18 Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure."-Gunilla Norris, author of *Sheltered in the Heart* and *Companions on the Way: A Little Book of Heart-full Practices* "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices."- Dr. Joan Borysenko, from the Foreword

They All Came Back Vikram Kalkat 2021-06-06 The violent end of an architect leads Juliano, living at the foothills of the Himalayas in India, on a strange trail across the globe to uncover a sinister plot that is so explosive that some might do anything to prevent it from coming to light. With stakes so high, Juliano finds himself moving from the backstreets of Pisa to the bars in Moscow, finding things unknown to most. As he desperately looks around, he comes across several others who are running and following blood trails across Europe and North America. From the sleepy suburbs of Toronto to the trend-setters in Washington D.C. and Monaco, there are sinister forces following them that will stop at nothing. The chase, the pace will continue to get even more frantic and ruthless as the young and restless all cross hurdles and search for clues until they merge at a common place and common thread. With billions of dollars at stake, in the invisible world of assassins and cryptocurrencies, they need to fight together to survive—and find the traitor amongst them. Odds are against them and they are doomed to fail unless... they all came back.

Embodied Inquiry Jennifer Leigh 2021-05-20 Embodied inquiry is the process of using embodied approaches in order to study, explore or investigate a topic. But what does it actually mean to be 'embodied'? This book explores why and how we use our bodies in order to research, what an embodied approach brings to a research project, and the kinds of considerations that need to be taken into account to research in this way. We all have bodies, feelings, emotions and experiences that affect the questions we are interested in, the ways in which we choose to approach finding out the answers to those questions, and the patterns we see in the data we gather as a result. Embodied Inquiry foregrounds these questions of positionality and reflexivity in research. It considers how a project or study may be designed to take these into account and why multimodal and creative approaches to research may be used to capture embodied experiences. The book offers insights into how to analyse the types of data emerging from embodied inquiries, and the ethical considerations that are important to consider. Accounting for the interdisciplinary nature of the field, this book has been written to be a concise primer into Embodied Inquiry for research students, scholars and practitioners alike.

The Big Otter R. M. Ballantyne 2016-07-29 CHAPTER ONE. SLEEPING IN SNOW. CHAPTER TWO. THE WINTER PACKET. CHAPTER THREE. DEEPER DESOLATION. CHAPTER FOUR. THE WINTER JOURNEY. CHAPTER FIVE. DudeFood Dan Churchill 2015-04-21 "From the breakout star of MasterChef Australia, Dan Churchill's ... cookbook that will educate, motivate, and inspire men to put on an apron and turn on the oven. Attention, dudes: you no longer have an excuse to avoid the kitchen. Dan Churchill has written a cookbook for guys who have always wanted to cook, but don't know where to start; boyfriends who are intimidated by a frying pan; and sons who have too long relied on their parents for meals. These mouth-watering recipes are easy to read and, most important, easy to replicate ... Divided into sections based on everyday scenarios and featuring forty-five recipes, DudeFood shares the secrets to cooking a repertoire of eggs, seafood, poultry, meats, vegetables, sandwiches, and even desserts ... Packed with helpful tips and shortcuts, as well as beautiful photographs, this book will turn any dude into a cook"--

Satan & Salem Benjamin C. Ray 2017 This book looks beyond single-factor interpretations to offer a far more nuanced view of why the Salem witch-hunt spiraled out of control. Rather than assigning blame to a single perpetrator, Ray assembles portraits of several major characters, each of whom had complex motives for accusing his or her neighbors. In this way, he reveals how religious, social, political, and legal factors all played a role in the drama.

Drawing the Line Howard Brenton 2013 A vivid telling of the chaotic story of the partition that shaped the modern world. London, 1947. Summoned by the Prime Minister from the court where he is presiding judge, Cyril Radcliffe is given an unlikely mission. He is to travel to India, a country he has never visited, and, with limited survey information, no expert support and no knowledge of cartography, he is to draw the border which will divide the Indian sub-continent into two new Sovereign Dominions. To make matters even more challenging, he has only six weeks to complete the task. Wholly unsuited to his role, Radcliffe is unprepared for the dangerous whirlpool of political intrigue and passion into which he is plunged - untold consequences may even result from the illicit liaison between the Leader of the Congress Party and the Viceroy's wife... As he begins to break under the pressure he comes to realise that he holds in his hands the fate of millions of people. Drawing the Line premiered at the Hampstead Theatre, London in December 2013. "Powerful... a fascinating play which views colonial culpability from an unexpected and singularly revealing angle." - Independent "Brenton is a masterly storyteller... the play expertly draws you into the maelstrom." - Financial Times "Brenton knows how to make history manifest... gives a vivid picture of the pressures of the time." - Guardian "Fleet and fascinating." - WhatsOnStage "Crisp, elegant and revelatory... a fascinating story of mixed intentions and rushed folly." - The Stage Howard Brenton is a prolific playwright whose plays have been staged at the Royal Court Theatre, National Theatre, RSC and Shakespeare's Globe among others. Other writing work includes collaborations with David Hare and thirteen episodes of the BBC1 drama series Spooks.

Our New Girl Nancy Harris 2012 " ... A serious study of a well-heeled but harassed contemporary woman trying to keep her marriage and family from fraying. At the same time, Ms. Harris stocks her play with the classic elements of a thriller: a sullen child who may harbor violent impulses, a comely nanny who may not be as innocent as she appears"--New York Times.

Between the World and Me Ta-Nehisi Coates 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as “required reading,” a bold and personal literary exploration of America’s racial history by “the most important essayist in a generation and a writer who changed the national political conversation about race” (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation’s history and current crisis. Americans have built an empire on the idea of “race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Achtung-Panzer! Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Run John Lewis 2021-08-03 RUN, the Eisner Award-Winner for Best Graphic Memoir, is one of the most heralded books of the year including being named a: New York Times Top 5 YA Books of the Year · Top 10 Great Graphic Novels for Teens (Young Adult Library Services Association) · Washington Post Best Books of the Year · Variety Best Books of the Year · School Library Journal Best Books of the Year · Kirkus Reviews Best Books of the Year · Amazon Best History Book of 2021 · Top Ten Title of the Year (In the Margins Book Award) · In the Margins Book Award for Nonfiction winner · Top Ten Graphic Novels for Adults (American Library Association) · Best Books for Young Readers (U of Penn Graduate School of Education) · Books All Young Georgians Should Read (Georgia Center for the Book) First you march, then you run. From the #1 bestselling, award-winning team behind *March* comes the first book in their new, groundbreaking graphic novel series, *Run: Book One*. “Run recounts the lost history of what too often follows dramatic change—the pushback of those who refuse it and the resistance of those who believe change has not gone far enough. John Lewis’s story has always been a complicated narrative of bravery, loss, and redemption, and *Run* gives vivid, energetic voice to a chapter of transformation in his young, already extraordinary life.” –Stacey Abrams “In sharing my story, it is my hope that a new generation will be inspired by *Run* to actively participate in the democratic process and help build a more perfect Union here in America.” –Congressman John Lewis The sequel to the #1 New York Times bestselling graphic novel series *March*—the continuation of the life story of John Lewis and the struggles seen across the United States after the Selma voting

rights campaign. To John Lewis, the civil rights movement came to an end with the signing of the Voting Rights Act in 1965. But that was after more than five years as one of the preeminent figures of the movement, leading sit-in protests and fighting segregation on interstate busways as an original Freedom Rider. It was after becoming chairman of SNCC (the Student Nonviolent Coordinating Committee) and being the youngest speaker at the March on Washington. It was after helping organize the Mississippi Freedom Summer and the ensuing delegate challenge at the 1964 Democratic National Convention. And after coleading the march from Selma to Montgomery on what became known as “Bloody Sunday.” All too often, the depiction of history ends with a great victory. But John Lewis knew that victories are just the beginning. In *Run: Book One*, John Lewis and longtime collaborator Andrew Aydin reteam with Nate Powell—the award-winning illustrator of the *March* trilogy—and are joined by L. Fury—making an astonishing graphic novel debut—to tell this often overlooked chapter of civil rights history.

Snowpiercer Vol. 3: Terminus (Graphic Novel) Olivier Bocquet 2020-07-21 The third volume of the graphic novel series that inspired the movie *Snowpiercer*, starring Chris Evans - presented in English for the very first time! On a future, frozen Earth, humanity has been packed onto self-sustaining trains, doomed to circumnavigate the globe until the end of the interminable ice age - or until the engines give out. When a scrap of music piques their interest, the inhabitants of the *Icebreaker* take the ultimate risk and cross the frozen ocean, a vast expanse with no train tracks... and no way to return to them.

Travelling Light Nicholas Wright 2012 In a remote village in Eastern Europe, around 1900, the young Motl Mendl is entranced by the flickering silent images on his father's cinematograph. Bankrolled by Jacob, the ebullient local timber merchant, and inspired by Anna, the girl sent to help him make moving pictures of their village, he stumbles on a revolutionary way of storytelling. Forty years on, Motl - now a famed American film director - looks back on his early life and confronts the cost of fulfilling his dreams.

Self-Care for Caregivers Stacy Quint 2017-07-05 Every year in this country millions of individuals with neurological disorders require long term care. Many are cared for by loved ones. However, providing this care can cause emotional, physical, and financial stains on the caregivers. This book will provide many tools and resources to help the caregiver not only take better care of themselves, but also take better care of those who rely on them. There will be information about various types of neurological disorders (i.e., Alzheimer's, other types of dementias, traumatic brain injury, Parkinson's) and tips for reducing stress of caregivers among other tools.
